

GRADY'S CRAZY WAYS TO SAY NO (Aka REFUSAL SKILLS)

1. HEAR THAT? They'll think your parents are home. It's a good cool off time.

2. GO TO THE BATHROOM. Never leave home without refried beans in your stomach!

3. GO FOR THE SPILL. Whatever you've been eating, knock it over; you'll stop and clean it up and realize you're with a person, not a body part.

4. THE UNDERWEAR LINE INTRUDER. *Girls*, never leave home without a maxi pad in your panties. *Boys*, tell them you've got "something" from the weight room that itches.

5. MOAN. Not because you're "turned on"; try to convince them you don't feel good. Burp, pass gas – if all else fails, vomit on their lap!

6. REMEMBER THE BUGS.
