

GRADY'S CRAZY WAYS TO SAY NO (Aka REFUSAL SKILLS)

- 1. HEAR THAT?** They'll think your parents are home. It's a good cool off time.
- 2. GO TO THE BATHROOM.** Never leave home without refried beans in your stomach!
- 3. GO FOR THE SPILL.** Whatever you've been eating, knock it over; you'll stop and clean it up and realize you're with a person, not a body part.
- 4. THE UNDERWEAR LINE INTRUDER.** *Girls*, never leave home without a maxi pad in your panties. *Boys*, tell them you've got "something" from the weight room that itches.
- 5. MOAN.** Not because you're "turned on"; try to convince them you don't feel good. Burp, pass gas – if all else fails, vomit on their lap!
- 6. REMEMBER THE BUGS.**
